TEMPERANCE WOMEN MEET HELD FRIDAY

Mrs. Lulu Marion is New President—Appointments in Business Session.

The Circleville Woman's Christian Temperance Union met Friday evening at the United Brethren Community house. A goodly number were present to greet the new president, Mrs. Lulu Marion, who presided for the first time.

The meeting opened with the song, "Lead On, King Eternal." This was followed by the 23d Psalm recited in concert and prayer by Mrs. Marion.

This was followed by a short business session. Mrs. Jennie Powell was appointed director of the peace department and Mrs. Jennie Neumann, The Bible in the Public School; Miss Charlotte Phelps gave a short talk on the moral condition of our city since prohibition came in.

There being no program prepared a delightful hour followed with discussions, pithy comments, and talks centered around the W. C. T. U. work. The meeting closed with the W. C. T. U. benediction.

CARS DRIVEN BY THE RADIO DEMONSTRATION

The radio demonstration put on at noon today by The Walter B. Zimmerman company, of Columbus general distributors of the Hudson and Essex cars, drew quite a crowd at the corner of Main and Pickaway streets in front of the Memorial hall. This firm is represented in this city by O. L. Cartwright, agent for both the Hudson and Essex cars.

The demonstration was quite successful and proved beyond a doubt that these cars can be easily moved by radio force. Lights were turned on, horns blown and the cars engine was actually started running by electricity with radio as a starting force. The cars moved down the street like phantoms and obeyed the action of the radio wave lengths automatically.

Mayor George Fitzpatrick pushed the button of the radio outfit which set the cars in motion.

Cincinnati — Two persons succeeded in attempt to take their lives here Sunday and Monday. Mrs. Mary McMann, 35, died after drinking poison during a party. Nelson W. Thayer, 78, despondent over ill health, drank poison.

THE PICKAWAY LIVE STOCK ASSOCIATION

Business Has Increased by Leaps and Bounds—Manager and Directors.

Pickaway county farmers shipped 16 decks of live stock thru their own association—the Pickaway Livestock Cooperative association last week. These shipments totaled 1,635 head of hogs, cattle, calves and sheep weighing 254,315 pounds. Of this amount, seven decks or 415 head weighing 107,360 pounds were shipped from their yards at Circleville on Saturday. Of the 16 decks, four decks were sold direct to the packers. In one double deck going direct to the packers were 64 hogs averaging more than 340 pounds per head.

For the year beginning September 1, 1924 to September 1, 1925, 354 decks of live stock were shipped cooperatively totaling 5,383,117 pounds.

For the month of September the volume of business has increased more than double September last year. For this increased volume of business much credit is due the manager, Mr. Harry Briggs and the directors who are: President, W. H. Skinner, Perry township; vice president, Paul Cromley, Harrison township; Edward Kreisel, Pickaway township; George C. Gerhard, Jackson township; C. E. Meyers Washington township; Ray R. Hanawalt, Monroe township and J. B. Stevenson, Wayne township.

A thief stole the Vender chewing gum machine owned by A. C. Cook confectionery store at the Traction station Monday night. The machine was fastened to the building with a lock which was pried loose. MIDNIGHT FIRE DESTROYS THE DAIRY GARAGE

Loss on Contents \$1,000 and on Building \$500, Covered by Insurance.

The garage of the Pickaway dairy company, on West Water street, was the scene of a disastrous fire Monday night about 11:15 o'clock. The fire was discovered by Mrs. Will Donahue of West High street. The furious barking of a house dog aroused Mrs. Donahue from her sleep and she quickly sent in the alarm from box 42 at the corner of Scioto and High streets.

The fire was practically confined to the contents of the garage, altho the beams and rafters of the garage were badly charred. The Pickaway Dairy company lost two trucks, a Chevrolet and Ford. Another Ford truck which was in the garage was pulled out and saved. The body of the Chevrolet truck was delivered to the company last Sunday.

Besides the trucks the dairy company lost two hundred chickens and about twenty-five cases of eggs, also a number of empty egg cases, butter cartons and egg case fillers. Robert Wiley, manager of the company, estimates the loss at \$1,000 fully covered by insurance in the Boyle & Johnson agency.

The garage was built by Oscar Howard and was sold by him to former Chief of Police John Myers, who recently sold the property to Harry W. Moore. He carried \$500 insurance on the building in the Hummel & Plum agency.

L. E. Taylor, one of the truck drivers of the Dairy company, was the last person to enter the garage for the night. He made the last collection of cream, meeting the Norfolk & Western southbound passenger train at 10:12 p. m. Mr. Taylor does not smoke and the fire could not have originated from a match, as he used a flash light. When the fire was discovered and the doors of the garage forced open the truck that Mr. Taylor had placed in the building was found to be a mass of flame.

During the fire, a coop of ducks which were over in one corner of the garage kept up a continual quacking, excited by the nearness of the flames. The ducks were saved.

HONOR MEMORY OF WORLD WAR HEROES

In the ancient castle of Rovereto
near Trent, which is being used as an
Italian war museum, a huge bell has
been hung in memory of the war dead.
The bell is one of the largest in Europe,
coming next after those in Moscow,
Cologne and Vienna, weighs five
and a half tons, and is beautifully
carved with a procession of warriors
and other figures marching round its
circle.

It is to be rung every evening for
one minute after the Angelus, and on
great anniversaries of the war, for five
minutes.

The government has set aside special
dates which will commemorate the
dead of Italy, France, England, America,
Belgium and Czechoslovakia. As a
final touch of modernity, radio apparatus
is to transmit the tones to all
the world that cares to listen.—Living Age.

Bee Left Remembrance in Small Boy's Finger

A child's original conception of what
a bee uses for his weapon is told in
the object lesson Frank Abbott King,
age four, son of John King, federal
prohibition agent, learned recently, according
to the Indianapolis Star.

Frank Abbott was playing in the
back yard of his home and feasting
on sweet, ripe, juicy pears which had
fallen to the ground. He picked up
one that had a bee on it and the boy
became aware with frightful suddenness
that he had been stung on one of
his fingers. It being his first experience
with a bee sting, Frank Abbott yelled,
inspected the injured and rapidly
swelling finger and then, crying,
ran to his mother for first aid.

"Oh, mother," he cried, "a bee stung
me and left his leg in my finger."

WE SAVE YOU MONEY.

The time is passed when the measure of the value of a memorial is quantity. I hope the time has come when that measure is quality. I care not whether the material be marble or granite, its future will be measured by the character of the design. It is quality that has preserved for us the finest examples in painting and sculpture. It is quality that will stamp our imprint upon cemeteries of the future. Simplicity, correct lines and proportions and proper ornamentation are the real fundamentals. A design that is right, material that is lasting and perfect workmanship, spells success for the future of this industry and the beautification of the cemetery. Will you let me help you select the memorial for your lot. Call at show room. **NO AGENTS.**

NEWS ABOUT COURT HOUSE

General Happenings Taken
From the Records of the
Various County
Offices.

The case of the State against Maxwell Snyder for soliciting and receiving liquor and William Fast for furnishing and delivering liquor was heard by Judge J. W. Adkins in probate court Monday.

Snyder was found guilty and was fined \$300 and in default was sent to jail. Snyder had admitted to the officers that he secured the liquor from William Fast, but on direct examination he denied that he had told them that he had bought it from Fast.

William Fast was not convicted, as Judge Adkins held that the testimony of the arresting officers was not competent, as Snyder did not admit in the presence of Fast that he bought the liquor of him.

Walter Fast, a son of William, who was under arrest for interfering with officers in the discharge of their duties, had a hearing before Justice E. C. Friece, was found guilty, sentenced to 30 days in jail and was ordered to pay a fine of \$50. In default he was sent to jail.

AN EFFICIENT LANTERN

Two business friends who lived in the country met one day and one invited the other to dine with him that evening.

At the appointed time the guest set forth in the direction of his friend's house and as the roads in the village were somewhat dimly lighted he took with him his old-fashioned stableman's lantern.

The dinner was good, the wine excellent and all went merrily.

The next morning, however, he received the following note from his host of the night before:

"Dear Old Man: I am sending my man over to you with this note and he takes with him your lantern. If you have quite finished with my parrot and cage, I shall be awfully glad if you will return same by bearer."—Everybody's Magazine.

MOVIE CASE IS DOCKETED

One of Two "Church Cases" For
Consideration by Ohio Su-
preme Court.

The Ohio supreme court will
reconvene next Tuesday, at the
close of its summer recess.

On the court docket, although
not likely to be reached for a few
weeks, are two cases growing out
of efforts of church workers to
secure enforcement of laws relat-
ed to public morals.

One of these is Attorney Gen-
eral Crabbe's suit to annul the
charter of incorporation of the
Capital City Racing association
on the ground that it permits
gambling at its race track near
Columbus. This is a test case
which will determine whether the
form of betting in vogue at Ohio
race tracks is illegal.

The other suit is the appeal of
a Chillicothe motion picture ex-
hibitor from a common pleas
court conviction, affirmed by the
court of appeals, on a charge of
Sunday operation of a theater.

A System of Farming That Brings Health and Prosperity

Every farm, regardless of the method of
farming practiced or of the crops raised, should
have at least a few good milk cows to provide

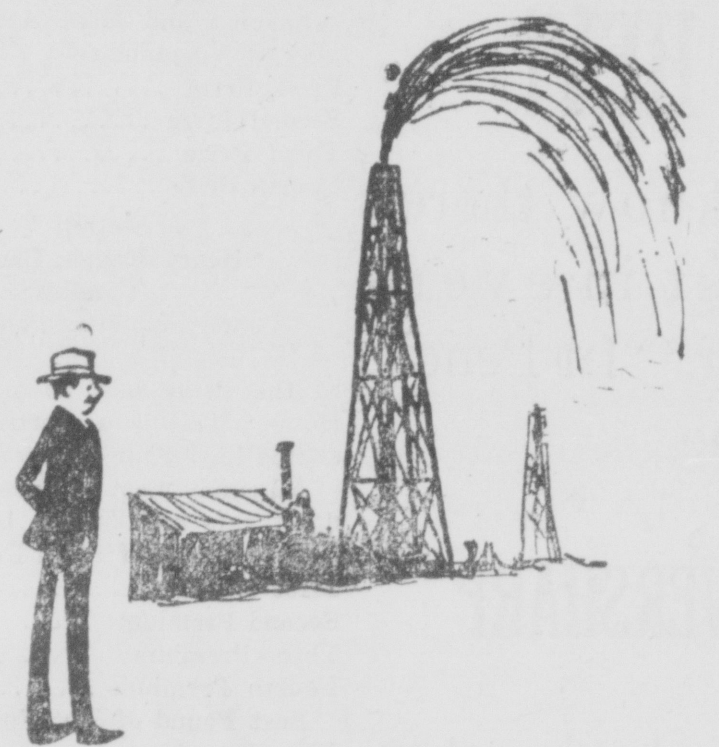

- (1) Enough milk, cream and butter for home use;
- (2) Enough skim-milk to raise some calves, pigs and chickens;
- (3) Enough cream or butter to sell to pay, in part or entirely, current living expenses.

This plan has been a "life-saver" for
thousands of farmers, especially during the
hard times of the past two years. It insures a
living, at least, and often other income besides.

Such a plan pays best with a De Laval
Cream Separator. It soon pays for itself—
and skims cleaner, lasts longer and is easier
to operate and clean than any other.

Fashion Notes

Coats reveal a decided change in silhouette. Split box effects, panels from shoulder to knee, tie and side fastenings, circular effects, belted are some of the features. Furs, of course, lavishly trim these models. Shades are many and vie with the rich colorings of Fall. Fabrics most prominent are velvet, wool, wool repp, velour and ottoman.

There is a wealth of opportunity for women and misses to show their individuality when selecting dresses. The fashion is unusually diverse. The most outstanding change from past seasons is the princess type. It is moded along slim, fitted line with full flare skirts developed of satins of the old time Duchess quality in colors that compete with those of a rainbow.

Elaborate daytime frocks incline to the use of furs. Stunning creations are the result from a fascinating combination of fur and fabrics like satin, velvet, ottoman and crepe.

Fashion Notes

Frocks, gowns and wraps for evening wear are bewitching. Luxurious silks, gorgeous metal brocades and wonderful laces are employed in their modeling. Colorings are brilliant.

Millinery keeps pace with the change of the garment silhouette. Crowns are low following the contour of the head and with small, soft brims irregular in line. Velvets, ottoman and plush lead in millinery coverings. Trimmings are diverse and placed in many enhancing ways. Navy blue, brown, camelia red, Chinese blue and purple are the best color.

In glove wear, fashion divides its favor between slip-ons and gauntlets. The slip-on types have wrist band or elastic band; gauntlets are in short cuffed effects, decorated with perforations, beads, silk or braid. Suedes, white, and in light shades of rose and beige.

BACK HOME IN ILLINOIS.

(Dedicated to the Southern Illinois
Conference)
By Julia G. Olds.
When autumn's dreamy haze appears
Upon the meadows brown
I'd like to wander far away
Beyond the noisy town,
Out where the purple asters raise
Their royal heads on high,
And fragrant orchards spread their
fruit
Beneath a cloudless sky.

I'd like to visit once again
The house where I was born,
And hear one more the meadow lark
That woke me with the morn.
His note was like a bugle call
That summoned me away
Far from the round of common tasks
That fill the farmer's day.

I'd like to feel within my heart
That sense of peace and power,
That firm belief in God and man
That marked that mystic hour.
Oh I have wandered far since then,
But now I'd fain return,
Back to the homely altars where
The fires of friendship burn;

Back where the summer sun smiles
down
On fields of waving wheat;
Back where the hearts of men are
strong
And life is sane and sweet;
Back where the crimson sumac lifts
Its flaming torch on high
And spires of stately goldenrod
Point upward to the sky.

How precious seem the common
things,
The dear remembered joys
That thrilled my heart when autumn
came
Back home in Illinois.
There, where the prairie winds blow
keen

Across the teeming sod,
I'd like to turn my furrow clean
And walk alone with God.

One hundred and fifty Deercreek
and Wayne township folks attended
the Achievement day program of the
Live Wire Sewing club of these town-
ships. Mrs. E. H. Wardell gave a
splendid address of welcome in lan-
guage expressive of her fine ideas of

pated. After the club program, Miss
Hulda Horst, of the Boys' and Girls'

university, gave a short talk on the
possibilities and benefits of Club work.

Refreshments were served at the
close of the meeting. Miss Horst re-
marked that this Achievement day

because it was so well planned, every
girl took part and there was a fine
attendance.

TEMPERANCE WOMEN MEET HELD FRIDAY

Mrs. Lulu Marion is New President—Appointments in Business Session.

The Circleville Woman's Christian Temperance Union met Friday evening at the United Brethren Community house. A goodly number were present to greet the new president, Mrs. Lulu Marion, who presided for the first time.

The meeting opened with the song, "Lead On, King Eternal." This was followed by the 23d Psalm recited in concert and prayer by Mrs. Marion.

This was followed by a short business session. Mrs. Jennie Powell was appointed director of the peace department and Mrs. Jennie Neumann, The Bible in the Public School; Miss Charlotte Phelps gave a short talk on the moral condition of our city since prohibition came in.

There being no program prepared a delightful hour followed with discussions, pithy comments, and talks centered around the W. C. T. U. work.

The meeting closed with the W. C. T. U. benediction.

CARS DRIVEN BY THE RADIO DEMONSTRATION

The radio demonstration put on at noon today by The Walter B. Zimmerman company, of Columbus general distributors of the Hudson and Essex cars, drew quite a crowd at the corner of Main and Pickaway streets in front of the Memorial hall. This firm is represented in this city by O. L. Cartright, agent for both the Hudson and Essex cars.

The demonstration was quite successful and proved beyond a doubt that these cars can be easily moved by radio force. Lights were turned on, horns blown and the cars engine was actually started running by electricity with radio as a starting force. The cars moved down the street like phantoms and obeyed the action of the radio wave lengths automatically.

Mayor George Fitzpatrick pushed the button of the radio outfit which set the cars in motion.

Cincinnati — Two persons succeeded in attempt to take their lives here Sunday and Monday. Mrs. Mary McMann, 35, died after drinking poison during a party. Nelson W. Thayer, 78, despondent over ill health, drank poison.

THE PICKAWAY LIVE STOCK ASSOCIATION

Business Has Increased by Leaps and Bounds—Manager and Directors.

Pickaway county farmers shipped 16 decks of live stock thru their own association—the Pickaway Livestock Cooperative association last week. These shipments totaled 1,035 head of hogs, cattle, calves and sheep weighing 254,315 pounds. Of this amount, seven decks or 415 head weighing 107,360 pounds were shipped from their yards at Circleville on Saturday. Of the 16 decks, four decks were sold direct to the packers. In one double deck going direct to the packers were 64 hogs averaging more than 340 pounds per head.

For the year beginning September 1, 1924 to September 1, 1925, 354 decks of live stock were shipped co-operatively totaling 5,383,117 pounds.

For the month of September the volume of business has increased more than double September last year. For this increased volume of business much credit is due the manager, Mr. Harry Briggs and the directors who are: President, W. H. Skinner, Perry township; vice president, Paul Cromley, Harrison township; Edward Kreisel, Pickaway township; George C. Gerhard, Jackson township; C. E. Meyers, Washington township; Ray R. Hanawalt, Monroe township and J. B. Stevenson, Wayne township.

STOLE VENDING MACHINE.

A thief stole the Vender chewing gum machine owned by A. C. Cook confectionery store at the Traction station Monday night. The machine was fastened to the building with a lock which was pried loose. It is supposed that the thief was after the few pennies supposed to be in the machine, but the drawer had been emptied by Mr. Cook before he closed his place of business.

TARLTON SUNDAY SCHOOL.

The attendance at the Tarlton M. E. Sunday school is steadily growing. Several new pupils were present last Sunday. It is hoped that the number will soon reach 100. The Ladies' Bible class under their teacher, Mrs. Helen Zehrung, has shown the largest increase in attendance. Next Sunday a special offering for World's service will be taken.

HARVESTER THRESHER.

On the afternoon of September 30, on the Ohio State university farms, Columbus, Ohio, there will be a demonstration showing the use of the combined harvester thresher for soy beans. These machines are coming into popularity and the cost is not prohibitive. Pickaway county farmers are invited to the demonstration.

Columbus, O., Sept. 28, (UP).—The Buckeye State ushered in national safety week Monday with 12 killed and almost 100 injured thruout the state over the weekend.

Four met death when automobiles skidded on wet pavements.

Absent mindedness caused the death of a Toledo man who forgot he had turned on the switch in an electric plant and was killed testing live wires. At Youngstown two men went to sleep on railroad tracks, one was killed and the other injured.

An automobile crashing into a street car and another machine hitting a culvert accounted for two more lives.

Four of the deaths were recorded in the Cleveland area, four in Youngstown, two in Columbus and two in Toledo.

Twenty-six were injured in traffic accidents in Cincinnati, but none was killed.

MIDNIGHT FIRE DESTROYS THE DAIRY GARAGE

Loss on Contents \$1,000 and on Building \$500, Covered by Insurance.

The garage of the Pickaway dairy company, on West Water street, was the scene of a disastrous fire Monday night about 11:15 o'clock. The fire was discovered by Mrs. Will Donahue of West High street. The furious barking of a house dog aroused Mrs. Donahue from her sleep and she quickly sent in the alarm from box 42 at the corner of Scioto and High streets.

The fire was practically confined to the contents of the garage, altho the beams and rafters of the garage were badly charred. The Pickaway Dairy company lost two trucks, a Chevrolet and Ford. Another Ford truck which was in the garage was pulled out and saved. The body of the Chevrolet truck was delivered to the company last Sunday.

Besides the trucks the dairy company lost two hundred chickens and about twenty-five cases of eggs, also a number of empty egg cases, butter cartons and egg case fillers. Robert Wiley, manager of the company, estimates the loss at \$1,000 fully covered by insurance in the Boyle & Johnson agency.

The garage was built by Oscar Howard and was sold by him to former Chief of Police John Myers, who recently sold the property to Harry W. Moore. He carried \$500 insurance on the building in the Hummel & Plum agency.

L. E. Taylor, one of the truck drivers of the Dairy company, was the last person to enter the garage for the night. He made the last collection of cream, meeting the Norfolk & Western southbound passenger train at 10:12 p. m. Mr. Taylor does not smoke and the fire could not have originated from a match, as he used a flash light. When the fire was discovered and the doors of the garage forced open the truck that Mr. Taylor had placed in the building was found to be a mass of flame.

During the fire, a coop of ducks which were over in one corner of the garage kept up a continual quacking, excited by the nearness of the flames. The ducks were saved.

HONOR MEMORY OF WORLD WAR HEROES

In the ancient castle of Rovereto near Trent, which is being used as an Italian war museum, a huge bell has been hung in memory of the war dead. The bell is one of the largest in Europe, coming next after those in Moscow, Cologne and Vienna, weighs five and a half tons, and is beautifully carved with a procession of warriors and other figures marching round its circle.

It is to be rung every evening for one minute after the Angelus, and on great anniversaries of the war, for five minutes.

The government has set aside special dates which will commemorate the dead of Italy, France, England, America, Belgium and Czechoslovakia. As a final touch of modernity, radio apparatus is to transmit the tones to all the world that cares to listen.—Living Age.

Bee Left Remembrance in Small Boy's Finger

A child's original conception of what a bee uses for his weapon is told in the object lesson Frank Abbott King, age four, son of John King, federal prohibition agent, learned recently, according to the Indianapolis Star.

Frank Abbott was playing in the back yard of his home and feasting on sweet, ripe, juicy pears which had fallen to the ground. He picked up one that had a bee on it and the boy became aware with frightful suddenness that he had been stung on one of his fingers. It being his first experience with a bee sting, Frank Abbott yelled, inspected the injured and rapidly swelling finger and then, crying, ran to his mother for first aid.

"Oh, mother," he cried, "a bee stung me and left his leg in my finger."

The time is passed when the measure of the value of a memorial is quantity. I hope the time has come when that measure is quality. I care not whether the material be marble or granite, its future will be measured by the character of the design. It is quality that has preserved for us the finest examples in painting and sculpture. It is quality that will stamp our imprint upon cemeteries of the future. Simplicity, correct lines and proportions and proper ornamentation are the real fundamentals. A design that is right, material that is lasting and perfect workmanship, spells success for the future of this industry and the beautification of the cemetery. Will you let me help you select the memorial for your lot. Call at show room. **NO AGENTS.**

NEWS ABOUT COURT HOUSE

General Happenings Taken From the Records of the Various County Offices.

The case of the State against Max-
well Snyder for soliciting and receiv-
ing liquor and William Fast for fur-
nishing and delivering liquor was
heard by Judge J. W. Adkins in pro-
bate court Monday.

Snyder was found guilty and was
fined \$300 and in default was sent to
jail. Snyder had admitted to the of-
ficers that he secured the liquor from
William Fast, but on direct examina-
tion he denied that he had told them
that he had bought it from Fast.

William Fast was not convicted, as
Judge Adkins held that the testimony
of the arresting officers was not com-
petent, as Snyder did not admit in
the presence of Fast that he bought
the liquor of him.

Walter Fast, a son of William, who
was under arrest for interfering with
officers in the discharge of their du-
ties, had a hearing before Justice E. C.
Friece, was found guilty, sentenced
to 30 days in jail and was ordered to
pay a fine of \$50. In default he was
sent to jail.

Will Soon Be With Us

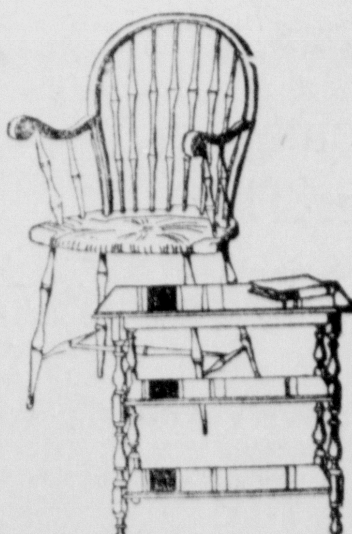

Here are a few suggestions to help make
the home brighter and more cozy.

Chairs and Tables—small
and large—for the living
rooms are displayed in
groups so that your choice
will not be hampered by
endless rows of each article.

Eight-sided center tables
usable for games, dining,
occasional or every-day liv-
ing room use, and are fin-
ished in mahogany, walnut
or decorated enamel.

Windsor types in chairs,
settees, tables and benches
are popular. Early Ameri-
can mahogany items for use
with almost any type of
furniture.

Come in and look them over.

for Circleville to hear the fam-
ous Scotch baritone. Assist-
ing him will be Alta Hill, well-

Mr. Ellison's appearance here

some of the numbers, the famous
artist will compare his voice with
its RE-CREATION by Mr. Edison's
new phonograph.

SENSENBRENNER'S "WATCH SHOP"

AN EFFICIENT LANTERN

Two business friends who lived in the country met one day and one invited the other to dine with him that evening.

At the appointed time the guest set forth in the direction of his friend's house and as the roads in the village were somewhat dimly lighted he took with him his old-fashioned stableman's lantern.

The dinner was good, the wine excellent and all went merrily.

The next morning, however, he received the following note from his host of the night before:

"Dear Old Man: I am sending my man over to you with this note and he takes with him your lantern. If you have quite finished with my parrot and cage, I shall be awfully glad if you will return same by bearer."—Everybody's Magazine.

AUTHORITIES	
CONSIDERING	
The Advisability of Removing Shenandoah Hearing To Washington.	
Lakehurst, N. J., Sept. 28.—(U.P.)—Owing to the difficulties of bringing witnesses to Lakehurst and accommodating them, the naval authorities are considering moving the Shenandoah inquiry to Washington, it was learned today.	
If the court adjourns and then re-convenes at Washington it will not be until it is re-convened that the navy's severest critics, Col. William Mitchell and Captain Anton Heinen will be called.	
Mrs. Zachary Lansdowne, widow of the Shenandoah's commander, has been invited to appear before the court and make any statement she desires.	

AMUSEMENTS

"Sackcloth and Scarlet," a Paramount picturization of the novel by George Gibbs, featuring Alice Terry and others, opened yesterday at the Metropolitan theater.

A big human theme is developed in the story, one of two girls, orphan sisters, Joan and Polly Freeman who have but one thing in common— unusual beauty. Joan kicks over the traces and goes West in search of adventure and engages in a brief love affair with a hotel guide. She returns to New York and tells Joan (Alice Terry) a secret. They go to France where baby Jack is born. Joan rises splendidly to the occasion and becomes devoted to the child from the very first.

For six years Joan cares for little Jack as if he were her own. There is a great deal of gossip and the girl to shield her younger sister, takes it all.

Later Joan grasps the opportunity to go back to America with friends. They live in Washington where the girl meets and falls in love with a congressman. She has no idea that he is really the father of little Jack. Their romance progresses rapidly until Polly returns. There is instant recognition between her and Edwards and for the time at least, Joan's little bubble of happiness is burst.

Everything is straightened out— Polly goes back to her dancer-husband in France and Joan turns to Edwards as the picture closes.

Dorothy Sebastian plays Polly and Orville Caldwell has the role of Stephen Edwards. Otto Matiesen, Kathleen Kirkham, John Miljan and others play in support.

Tom Geraghty, Julie Furthman and Julie Herne are credited with the screen play.

The United States uses more platinum than all the rest of the world combined, the most of it going into jewelry.

A System of Farming That Brings Health and Prosperity
Every farm, regardless of the method of farming practiced or of the crops raised, should have at least a few good milch cows to provide
(1) Enough milk, cream and butter for home use;
(2) Enough skim-milk to raise some calves, pigs and chickens;
(3) Enough cream or butter to sell to pay, in part or entirely, current living expenses.
This plan has been a "life-saver" for thousands of farmers, especially during the hard times of the past two years. It insures a living, at least, and often other income besides.
Such a plan pays best with a De Laval Cream Separator. It soon pays for itself—and skims cleaner, lasts longer and is easier to operate and clean than any other.

MOVIE CASE IS DOCKETED
One of Two "Church Cases" For Consideration by Ohio Supreme Court.
The Ohio supreme court will reconvene next Tuesday, at the close of its summer recess. On the court docket, although not likely to be reached for a few weeks, are two cases growing out of efforts of church workers to secure enforcement of laws related to public morals.
One of these is Attorney General Crabbe's suit to annul the charter of incorporation of the Capital City Racing association on the ground that it permits gambling at its race track near Columbus. This is a test case which will determine whether the form of betting in vogue at Ohio race tracks is illegal.
The other suit is the appeal of a Chillicothe motion picture exhibitor from a common pleas court conviction, affirmed by the court of appeals, on a charge of Sunday operation of a theater.

VISITS SCENES OF CHILDHOOD
Mrs. Ada Williams, of Chicago, widow of "Billy" Williams, internationally known minstrel man, was in the city today to visit the scenes of her childhood. Mrs. Williams is a daughter of the late Edward B. Clark who died some few years ago in Indianapolis, Ind., and a granddaughter of Edward B. Clark, a pioneer resident of this city.
She was returning from a visit with her aged aunt, Mrs. Elizabeth Clark Weaver, who is seriously ill at the home of her niece, Mrs. Chas. Hoffman, 1318 Center street, Portsmouth, Ohio.
When a child, Mrs. Williams visited her grandparents at their home on the corner of Canal and Union streets and recalls the golden wedding anniversary of her grandparents celebrated there. She is the only survivor of her immediate family, her parents, brother and sister all having passed away. Mrs. Weaver, of Portsmouth, being the last survivor of her paternal family.

ONLY THREE SURVIVORS OF SUBMARINE S-51 ACCIDENT
Boston, Mass., Sept. 27.—(UP.)—Arriving here late today on the steamer City of Rome, the three survivors of the S-51 disaster, Alfred Geier, of New Bedford; Dewey Kile, of Peoria, Miss., and Michael S. Lira, of St. Louis, told how they escaped from the crippled submarine after she had been struck by the steamship.
The U. S. divers have failed to raise the submarine and the fate of the other members of the crew is problematic. Admiral Christy in charge of the rescue work, has not given up hope.

Fashion Notes

Coats reveal a decided change in silhouette. Split box effects, panels from shoulder to knee, tie and side fastenings, circular effects, belted are some of the features. Furs, of course, lavishly trim these models. Shades are many and vie with the rich colorings of Fall. Fabrics most prominent are velvet, wool, wool repp, velour and ottoman.

There is a wealth of opportunity for women and misses to show their individuality when selecting dresses. The fashion is unusually diverse. The most outstanding change from past seasons is the princess type. It is modeled along slim, fitted line with full flare skirts developed of satins of the old time Duchess quality in colors that compete with those of a rainbow.

Elaborate daytime frocks incline to the use of furs. Stunning creations are the result from a fascinating combination of fur and fabrics like satin, velvet, ottoman and crepe.

Fashion Notes

Frocks, gowns and wraps for evening wear are bewitching. Luxurious silks, gorgeous metal brocades and wonderful laces are employed in their modeling. Colorings are brilliant.

Millinery keeps pace with the change of the garment silhouette. Crowns are low following the contour of the head and with small, soft brims irregular in line. Velvets, ottoman and plush lead in millinery coverings. Trimmings are diverse and placed in many enhancing ways. Navy blue, brown, camelia red, Chinese blue and purple are the best color.

In glove wear, fashion divides its favor between slip-ons and gauntlets. The slip-on types have wrist band or elastic band; gauntlets are in short cuffed effects, decorated with perforations, beads, silk or braid. Suedes, white, and in light shades of rose and beige.

Removing Vitropane

To entirely remove vitropane from glass, take one-half pint of boiling water and a piece of soap sufficient to make a good lather. Saturate a cloth and place cloth on the window. Let stand for a few moments. Take a clean cloth saturated with ammonia (double strength) place on glass for a few moments. The vitropane will begin to loosen and can easily be removed with a thin knife blade.

The Eating Question

"It's a giddy whirl, this life. People eat animals, animals eat smaller animals, smaller animals eat vegetables, vegetables eat animalculae, animalculae eat bacilli, bacilli eat microbes and microbes eat us. The cannibal takes the short cut."

Resolution Too Late

The resolution to avoid an evil is seldom framed till the evil is so far advanced as to make avoidance impossible.

BACK HOME IN ILLINOIS.

(Dedicated to the Southern Illinois Conference)

By Julia G. Olds.

When autumn's dreamy haze appears

Upon the meadows brown

I'd like to wander far away

Beyond the noisy town,

Out where the purple asters raise

Their royal heads on high,

And fragrant orchards spread their

fruit

Beneath a cloudless sky.

I'd like to visit once again

The house where I was born,

And hear one more the meadow lark

That woke me with the morn.

His note was like a bugle call

That summoned me away

Far from the round of common tasks

That fill the farmer's day.

I'd like to feel within my heart

That sense of peace and power,

That firm belief in God and man

That marked that mystic hour.

Oh I have wandered far since then,

But now I'd fain return,

Back to the homely altars where

The fires of friendship burn;

Back where the summer sun smiles

down

On fields of waving wheat;

Back where the hearts of men are

strong

And life is sane and sweet;

Back where the crimson sumac lifts

Its flaming torch on high

And spires of stately goldenrod

Point upward to the sky.

How precious seem the common

things,

The dear remembered joys

That thrilled my heart when autumn

came

Back home in Illinois.

There, where the prairie winds blow

keen

Across the teeming sod,

I'd like to turn my furrow clean

And walk alone with God.

LIVE WIRES

SEWING CLUB

HAD MEETING

Achievement Day Observed
by Deercreek and Wayne
Boys and Girls.

One hundred and fifty Deercreek and Wayne township folks attended the Achievement day program of the Live Wire Sewing club of these townships. Mrs. E. H. Wardell gave a splendid address of welcome in language expressive of her fine ideas of Club and Community work. E. C. Rector responded on behalf of the Farm bureau and Club Boosters.

A program was then given by the club in which every member participated. After the club program, Miss Hulda Horst, of the Boys' and Girls' Club department of the Ohio State university, gave a short talk on the possibilities and benefits of Club work.

Refreshments were served at the close of the meeting. Miss Horst remarked that this Achievement day was one of the best she has attended, because it was so well planned, every girl took part and there was a fine attendance.

How to Live Long

Longevity is largely a matter of selecting a spouse who isn't jealous.—Birmingham News.

Home-Town Opinion

It would take the dynamite kick of a mad Georgia mule to make some men to risk the world; and even at that, the world grows because they wouldn't have time to pick a soft place to fall; and if they were able to catch hold of a rainbow up yonder, it would break all to pieces with their dead weight, and they'd come tumbling; omiscuous!—Atlanta Constitution.
